EASTERN DISTRICT OF NEW YORK**

**In re:  
BETTINA KOLOCH**

**Chapter 13  
Case No.:07-73919**

**Debtor(s)**

**Hon. Judge Dennis E. Milton**

**OBJECTION TO ADJOURNMENT DATE OF  
JANUARY 22, 2008 FOR 341 MEETING**

CLERK  
U.S. BANKRUPTCY  
EASTERN DISTRICT OF  
NEW YORK  
2008 JAN 14 P 1:11  
RECEIVED/DB

Betina Koloch, a party in interest in this chapter 13 case, respectfully submits this as and for her objection (the "Objection") to the date that her meeting 341 that took place on January 3, 2008 has been adjourned to January 22, 2008 (Exhibit A). The objection is based on the hardships associated with the following:

1. As an employee of a foreign based company I make an income that supports the current payments to the bankruptcy court and also supports my day to day life and that of my family. In order to support that income I need to be present at my work and my trips not only cost me thousand of dollars but jeopardize my ability to sustain that income.
2. I am also cancer survivor and have been undergoing series of tests related to my treatments for breast cancer. I am recently after operation and I am awaiting further tests. These tests can not be done here in United States as my insurance would not cover them as I have one that allows me to treat myself abroad. These treatments are very serious for life threatening condition and need to be administered on regular

schedule.

At this time I would like to ask the court to understand my limitations and adjourn further  
my adjourned 341 meeting till middle of March.

Dated: January 14, 2008
